Nexora_Regional_Compensation_Addendum_2026.pdf

Tier: TIER_2 | Version: 1.2 | Scope: All Products | Status: DRAFT

--- Section / Chunk #1 (Authoritative Source Content) ---

Nexora Regional Remote Work and Compensation Addendum (2026): Base salaries and remote worker allowances are calibrated according to local economic tier indices. Remote employees in Tier A metro locations receive benchmark compensation, while satellite regional roles are subject to approved geographic parity factors. Department Scope: HR & Compensation. Product Scope: All Products / Universal Workforce.

--- Section / Chunk #2 (Authoritative Source Content) ---

Mandatory Adjustment Clauses: Compensation bands and living adjustments must reflect documented cost-of-living differentials approved by the executive remuneration committee. Effective from 2026-11-01 to 2027-10-31.
